

Kate Roskell (first elected 2017)

Seeking Re-election 2020

I have lived in St George's Fields for nearly 10 years, renting first then as a shareholder since May 2013. I am the Chair of the Garden Committee and have been particularly involved in organising community activities such as the carol singing events.

Through my professional role in secondary school leadership, including 11 years as a headteacher, I am experienced in leading and managing people, change management and in budgeting and financial management; skills and experiences which I have found helpful in being an SGF director during my 3 years on the Board.
